It will be seen therefrom that there is no Separate typist or Steno typist in the Fees It is reported that there is a typist whose contest against one of the posts of clerks on Rs 25-1-30-1-40

11) The chairman states that the typist clerk Mr. Rama Sarma has prayed for the Cadre of the post into a graded one and that he is a qualified stenotypist has been doing typing work all along & that it is necessary to revise the grade by the post, creating a Separate post on Rs 30-3-60 for the typist

It is stated that the typist was working

for six years on a pay of Rs 35 p.m. and was thrown out of employment in the year 1934 & he was then provided with a post in the city Improvement Trust Board on an initial pay of Rs 30 p.m & he is said to be drawing a pay of Rs 37 p.m.

That on Rama Varma being given Rs 35 p.m. of this proposal is sanctioned, there would be an extra outlay of Rs 66½ p.m. to the Trust Board which will be met out of the provision for establishment charges in the Budget.

2/ There is at present no typist in the sanctioned establishment of the Mysore Improvement Trust Board office. The Chairman therefore proposes the conversion of one of the post of clerks in Rs 25-1-40 into that of a typist in Rs 30-3-60. A resolution of the Board was called for & the same has now been submitted for the orders of Govt.

3/ It is necessary in the interest of work in the Trust Board office to appoint a typist. Hence the resolution of the Board to convert the post of a clerk in Rs 25-1-40 into that of a stenotypist in Rs 30-3-60 may be sanctioned. This would mean an extra expenditure of Rs 16 per month which can be met out of the established charges of the Board.

4/ The Chairman also suggests that the benefit of the revised post may be given to one Rama Shama who is a qualified stenotypist & is attending to this work in the Board, though he is designated as a clerk now

Sir,

In forwarding herewith a copy of representation of Mr H Rama Sarma, Typist-Clerk of this Office for conversion of the clerical post he now holds into that of a Typist on a graded pay, I have the honour to state that there is no separate post of a Typist sanctioned for the Trust Board Office though there is heavy typing work in this office, which has now further increased on account of the increase in the strength of the establishment and the enlarged activities of the Board Mr Rama Sarma is a qualified Steno-typist having passed Shorthand-Typewriting Junior Examinations and completed Senior Course in the same and has been doing the typing work all along but he is counted against the post of a Clerk on 25-1-40 and is at present drawing a pay of Rs 37 in the above grade after a service of 10 years in the Board Office There is a good demand everywhere for qualified Typists and it is desirable that the pay of those already employed is suitably revised to avoid discontent

2 In this connection, I am to state that before he was appointed in this Office, the above Official was a Steno-typist in the Bhadravati Iron Works where he was drawing a pay of Rs 55/- per mensem for over six years He was discharged from the Works in the year 1934 on account of retrenchment and though Government while issuing instructions for the employment of the discharged Officials of the Works in Government service directed that their salaries in the Works should as far as possible be taken into consideration in fixing their emoluments, Mr Rama Sarma was started on Rs 30/- only He has suffered hardship on account of the low initial salary and having been a Typist all along he cannot also look-forward for promotion to higher grade appointments in the clerical line He is now 47 years of age and has only 8 years

more to serve

3 There is need in the Trust Board Office to have a separate Typist's post on a suitable graded pay on account of the heavy typing work in the Office Both as a measure of necessity and also to compensate in a small measure the hardship already suffered by the present incumbent, I recommend that the clerical post on ₹ 25-1-40 which he now holds may be converted into that of a Typist on ₹ 30-3-60 and Mr Rama Sarma given ₹.39/- This would only enable him to reach the pay he was drawing before in the Iron Works after a service of over 16 years in the Trust Board Office The extra cost involved on this account will be ₹ 16¼ per mensem which will be met out of the provision for establishment charges in the Budget

Favour of early orders is solicited

Representation dated 9th December 1944 from Mr H Rama Sarma, Typist-Clerk, City Improvement Trust Board, Mysore, to the Chairman, City Improvement Trust Board, Mysore

---

I beg to bring the following few lines to your kind consideration and favourable orders -

I was formerly working as a Stenographer on ₹ 55/- per mensem in the General Manager's Office, Mysore Iron Works, - Bhadravati for over 8½ years On account of the retrenchment ordered in June 1934, I was one among the thro nout employees and Government in letter No D 5719-20/I W 37-33-2 dated 2nd May 1934 from the Development Secretary, to the Secretary, C R Board, directed that the thrownout Officials of the Iron Works may be shown preference in filling up vacancies in Government Offices and that as far as possible salaries drawn in the Works may be taken into consideration in fixing their emoluments (vide Copy submitted herewith for kind information) Accordingly, I was appointed as Typist in this Office on ₹ 30/- per mensem as per C R B , Secretary's letter No 703/C R B , dated 27th July 1934 But my pay was fixed at ₹ 30/- only eventhough I was drawing a pay of ₹ 55/- in the Iron Works for over 8½ years At the time of the revision of the establishment of the Trust - Board Office, I was fixed in the grade viz , ₹ 25-1-40 and I am now drawing ₹ 37/- per mensem after a period of 10 years' service in the Trust Board

In this connection, I beg to submit that I am working as a Typist and the work in the Typing Section has of late very largely increased owing to the increase in the strength of the establishment and also due to several big schemes undertaken by the Board The typing work in connection with the Trust Board Meetings has also similarly increased and I have been coping-up with the heavy work with great difficulty to the entire satisfaction of my Superior Officers The grades of Typists in the several departments are on a higher scale viz , 30-3-60 and 30-5-60 but I am now counted as a Clerk in grade 25-1-40 though I am doing the duties of a Typist Promotions in clerical grade are few and far between

P T O

in the Trust Board and I cannot hope to get any chance of promotion in the near future I have been a Typist all along - and cannot now hope to improve my prospects of promotion in - the clerical grade by passing departmental examinations or -- local tests I therefore pray that the clerical appointment I now hold may kindly be converted into that of a Typist on -- grade 30-5-60 as in other departments and my pay fixed up at - ₹ 45/- in view of the hardship I have already suffered on account of the low starting salary As I have got only 8 years' service before me, I pray, that this my humble request may be favourably recommended to Government for a sympathetic consideration This would only enable me to reach the pay I was drawing before, in - the Iron Works, after a service of 15 years in Government For this act of kindness, I shall for ever be grateful to you
